We are Europamundo

It is a pleasure to present the **new edition of the Europamundo brochure**. Once again, we are pleased to bring you a carefully curated selection of journeys, with a broader selection of destinations and experiences, so that every traveler can find their own path.

This year, we are introducing new proposals that continue to strengthen one of our fastest-growing areas: regional travel. Routes through the Czech Republic and Austria, the Netherlands, as well as new itineraries in Bulgaria and Romania, allow travelers to **discover each country with a deeper and more immersive experience**.

We have also expanded our experiences in **Japan, Vietnam, Thailand, and Laos**, while further enhancing our **unforgettable river cruises**.

We have always believed in something simple: **travel brings people together**. Our tours allow individuals from different countries and cultures to share moments, learn from one another, and discover that diversity enriches and connects us. This is, perhaps, the true essence of Europamundo.

*Thank you for placing your trust in us.
I wish you a wonderful journey.*
